Dear Parents,

We are pleased to continue working with your family to provide an enriching Montessori experience for your child. On behalf of the staff, we wish everyone a terrific summer and we are looking forward to next fall. We hope the 2010-2011 school year will be a year of growth and development for everyone at Montessori Radmoor School.

This year we have raised funds for additional parking for the staff, which has greatly alleviated parking congestion for our families. Other accomplishments include planting additional trees around the parking area, installing new carpet in the primary classrooms and new tiling in the toddler rooms; installation of phones in each classroom, and receiving our green certification by the State of Michigan.

Thank you for getting involved in our PGA or other volunteer opportunities, attending our parent meetings, contributing to our various fundraisers and making "After Hours" another great success. Thank you also, for supporting your teachers and reading our newsletters. Communication is important to everyone. Please don't hesitate to ask if you have any questions or stop by my office if you have any concerns.

Attached you will find the necessary enrollment forms for the 2010/2011 school year. **Physicals for primary and elementary children need to be updated every 2 years, versus yearly.** Physicals for toddlers still need to be updated yearly. **These forms are to be returned to the office no later than August 20th.** We strongly encourage you to turn in the paperwork before the end of the school year. You may also return it this summer. **Paperwork must be in no later than one week prior to the beginning of the school year.**

We will be sending your child's phase in schedule at the end of July to verify his/her attendance during the first week of school along with other pertinent information.

We are looking forward to a great year!

Sincerely,

Susie Hyatt  
Administrator
