

Montessori Radmoor School

Educating

Since 1968

Dear Parents,

We are pleased to continue working with your family to provide a comprehensive and enriching Montessori experience for your child. On behalf of the staff, we wish everyone a fabulous summer and we are looking forward to next fall. We hope the 2011-2012 school year will be a year of continued growth and development for everyone at Montessori Radmoor School.

This year we have raised funds to support our curriculum, outdoor environment and our scholarship fund. We are pleased to be assisting six families through our scholarship fund. Other accomplishments include our new observation deck and amazing crops of lettuce the children have enjoyed with lunch. We are looking forward to a bountiful summer!

Thank you for getting involved in our parent's association and other volunteer opportunities, attending our Parent Study Program, contributing to our various fundraisers, and making "After Hours" another great success. We appreciate the communication and support you give to our teachers. Communication is important to everyone. Please don't hesitate to ask if you have any questions or stop by my office if you have any concerns.

Attached you will find the necessary enrollment forms for the 2011/2012 school year. We **strongly** encourage you to turn in your paperwork before the end of the school year. Physicals for primary and elementary children need to be updated every 2 years versus yearly. Physicals for toddlers still need to be updated yearly. In case your child needs a physical this summer please note this **form is to be returned to the office no later than August 19th.**

At the end of July, you receive a welcome letter from your child's teacher, a phase-in schedule, along with other pertinent information for the beginning of the school year. Mark your calendar for our Welcome Picnic for all families on Friday, September 9th at Potter Park!

We are looking forward to another great year!

Sincerely,

Susie Hyatt
